The 1950 SARGASSO has tried to capture through pictures and stories for you this year of our lives at KHS. In this building we laughed, studied, worked, dated, and played. And now that the year is over, we look back on one of the memorable years of our lives.

The Year 1949-50 has been a big year in Kokomo High School. Topping all else was the fact that our new gym became a reality. There were other important things too: our increased enrollment, the biennial vocational interest conference, our extra coal vacation in March and scores of others. Yet all these things didn't keep the average student so busy that he didn't have time to think of the challenges of the world about him as he faced a new half-century.

LORING MEMORIAL GYMNASIUM

SEC. 7

The Kokomo High School Memorial Gymnasium was dedicated on October 20, 1949, as a symbol of those principles which so many of our alumni died to preserve. The occasion was a general open house which featured speeches by leading personalities in state high-school athletics and a few selections by our high school band and choir.

WE CAME to school that first day, all 1667 of us, ready for another great year at KHS. Back to class rooms, busy halls, mad dashes to the cafeteria lines, school proms, football games, and all other events that make up a memorable school year.

The mode may be varied, but the destination is the same.

ACID HOLES in our best pair of pants, that composition for English class, or that government exam that we almost failed were just some of the headaches of our school day. SCHOOL IS not all scholastic and social for the students of of KHS. Throughout the yuletide the Hi-Y's, the Y-Teens, and several school clubs united their efforts to make it a white Christmas for everyone. Their service projects included the selling of T. THE STARDUST CORONATION

Activities

Students find that studies alone do not give them a chance to develop all of their talents and interests. To supply this opportunity, KHS offers a variety of clubs and activities for the enjoyment and benefit of the students. Every field of endeavor from art to science is represented by some organization. The members and their faculty sponsors have worked faithfully throughout the year to make each activity a credit to the school.

BIG WHEELS AND LITTLE SPOKES

Any student dissatisfied with conditions in KHS may voice his opinions through the Student Council. This representative body meets every week to alleviate the grievances of each girl and boy. Other duties of the Council, such as the Junior Red Cross drive, the publication of the *Lens,* and the decorating of the Christmas tree, were executed efficiently this year.

In addition, the Council sponsored the Vocational Interest Conference under the supervision of Miss Fay Cover, Director of Guidance; issued the football and basketball tickets; and held the election for the yell-leaders.

Sub committees were formed under the sponsorship of Miss Doris Consodine, Mr. Earl Utterback, Mr. Olin Meritt, and Mr. Richard Schulz.

The Council kept right in the midst of school affairs under the guidance of Mr. John P. Jones, sponsor, and the officers: Richard Stamps, president; Dean Grinstead, vice-president; John Lauderbaugh, secretary; and Don Davis, treasurer.

"TO BE OR NOT TO BE"

A communicable disease, "club fever," swept KHS in 1949 and 1950, resulting in a great number of newly organized clubs. Our "committee on committees" was busy in the fall checking constitutions and providing meeting dates.

Moreover, they continued their work all year, setting dates for club meetings, approving constituions of new clubs, and checking membership lists of the clubs already in existence. Student members are chosen by the student council at one of its meetings in the fall.

The Organization Board is the most important factor in extra-curricular activities as it has "original, exclusive, and final jurisdiction" relative to whether or not a group becomes an active club.

MINDS OVER MATTER

An objective of many ambitious students of KHS is membership in the National Honor Society. Scholarship, leadership, service, and character are the qualities a student must show to become a member. In addition, all prospects must be approved by the faculty. The new members were officially recognized in an impressive formal initiation held this spring in the auditorium.

The members elected Janie Stevens as president; Gene Caylor as vice-president; Mary Catherine Arnett as secretary; and Jeannette Hahn as treasurer. Bertie Ruzicka served as treasurer after Jeannette graduated in January. Sponsors who aided the group were Mrs. Isabelle Legg, Mrs. Dione Mustard, Mr. Edward Phillips, Mr. Edson Van Dorn, Mr. Olin Meritt, Mrs. Alice Farrar, and Miss Lilith Farlow.

PRACTICAL POLITICS

The Purdue Legislature brought a new opportunity to the politicians of KHS. Modeled after the Indiana General Assembly, it consisted of boys and girls from the state high schools.

Our delegates to the Legislature were elected by the Juniors and Senior classes last November under the direction of Miss Lilith Farlow. Ted Chandler received enough votes to become Senator, and Dean Grinstead, Bob Babb, Richard Lee, and Bill Elsea won seats in the House of Representatives. Their alternates were Stan Cripe, as Senator, and Jeannette Hahn, Ruth Lang, Dick Good, and Don Wyrick as Representatives.

Attending sessions for two days, the group became further acquainted with the functions of our government. Their faculty advisor, Mr. Earl M. Utterback, gave them valuable pointers during the proceedings.

THE GUIDING LIGHTS

"To create, maintain, and extend throughout the school and community, high standards of Christian character" is the purpose of the Hi-Y, as stated in the constitution. Therefore, it comes as no great surprise that many of the members of this organization inevitably prove to be the leaders in KHS.

Organized in 1921, the Hi-Y now has four clubs of approximately 50 members each.

Social activities are always included in their annual programs. Examples were the after-game dances, the Mystery Ramble, Murder on the Hardwood, the annual Hi-Y conference for District Four, and a banquet for the members.

Civically, the Hi-Y donated food to needy families at Thanksgiving and Christmas and participated in the sportsmanship campaign. For the boys who worked on these projects, the spirit of co-operation was a reality.

LIGHTS! ACTION!

Due to the fact that our movie projectors do not run themselves, it has always been a good school policy to maintain an *Operators Club* in KHS. Through personal experience and the guidance of their sponsor, Miss Fay Cover, the operators have expanded their knowledge of the mechanics of motion pictures.

AND CAMERA!

For any student who attempts to take pictures in the dark without a flash bulb and to develop them under a bright light, we recommend membership in the *Camera Club*. This year the club sponsors were Mrs. Lena Coombes and Mr. Lester McCarty, who helped the members learn more about photography.

FUTURE

Many promising young actors and actresses of KHS who were unable to obtain membeship in the Dramatic Club, find an outlet for their talents in the *Pre-Dramatic Club.* Coached by Miss Mary Ellen Vergin, their sponsor, the members have promoted their acting and speaking abilities. Throughout the school semesters, these ardent understudies have presented various dramatic activities.

TROOPERS

The recently organized *Thespian Society* was composed of young orators and actors of our school who desired to speak more effectively. They were taught by their sponsor, Mrs. Elsie Seagraves, to avoid flying missles by holding the attention of their audience. To become a Thespian, each applicant was required to have ten hours of speaking activity.

NATURAL AND

Last fall the young microbe hunters of KHS decided to pool their interests and talents; hence a *Science Club.* Under the supervision of their sponsor, Mr. Richard Schulz, the members explored the world of science and conducted many absorbing experiments. Among their most interesting activities was a trip to Purdue University, where they participated in a scientific round-up.

POLITICAL SCIENCES

For those students desiring to improve their relations with other members of the human race, KHS can boast of the*International Relations Club.* Participating in a Model United Nations Assembly at Anderson College, the club members showed themselves eager to learn more about the world they live in. Their adviser, Mr. Fred Mustard, has done a marvelous job of stimulating further interest in international relations.

BRINGING IN

The organization of the *Bible Club* last fall proved that some KHS students were spiritually inclined. About sixty converts, inspired by their sponsor, Mr. Donald Bartlett. carried on a successful campaign to encourage Bible reading. Weekly meetings were held after school, the programs consisting of speakers who gave informative talks on religion.

THE SHEAVES

To regulate the constant flow of traffic in the school, KHS is annually provided with teen-aged sentries, who are more commonly known as monitors. Although some students show distaste for the compulsory methods of this controlling body which functioned under the genral sunpervision of Mr. Jones, without it, order in our halls would cease to exist.

THEY PAINTED THE TOWN RED - AND GREEN

Without a doubt, the most colorful organization in KHS is the Palette Club, which consists of the youthful Rembrants of the school. The club members participated in many activities. To mention one, they decorated windows in downtown Kokomo at Halloween and Christmas, and the proceeds earned were donated for charitable purposes. A bare appearance of our showcases was avoided by the attractive exhibits displayed by the Club. The Palette Club has functioned for the betterment of our school and community.

Officers elected for this '49-'50 term were Roberta Mummert, president; Bertie Ruzicka, vice-president; Jean Ann Isaacs, secretary; Barbara Pickering, treasurer; Jerry Berneche, reporter; and Susie Templin, sergeant-at-arms. Miss Bernice McKinley, art teacher of KHS, instructed and encouraged the group.

ATHLETIC AMAZONS

"For sports and fun—G. A. A.'s the one"—a motto that can very well be applied to our Kokomo G. A. A., sponsored by Miss Maribeth Munson and Miss Nancy Wheeler. This organization has for many years set as its goal to teach its members not only the rules and techniques of various sports but also the ideals ofsportsmanship and fair play.

Since the G. A. A. is a member of the Indiana League of High School Girls Athletic Association, it is entitled to give any member accumulating 350 points a state award. Other awards given are for 100 points, a membership pin; for 150 points, an emblem; for 250 points, a script "K"; and for 450 points, a senior locket. These awards are presented at the Mother-Daughter Banquet, which is the highlight of the club year and is held sometime in May.

The officers selected to lead the club this year were Tonie Rea, president; Georganna Johnston, vice-president; Ann Uhlir, secretary; Marjorie Spicer, treasurer; and Barbara Scheid, assistant-secretary.

FROM THE WOMAN'S ANGLE

To preserve the equality of women's rights in KHS, the Girls' League was organized in 1936 by Miss Estella G. Pearce.

During the League's existence, it has contributed the essential "woman's touch" to school activities. In addition to Miss Pearce and Mrs. Mildred Kern, who are sponsors, the League welcomed Mrs. Audra Lindley, the Dean of Freshman Girls, as a third sponsor.

October 22 was the date of the League's third annual Autumn Prom, which was the first dance held in the new Memorial Gymnasium. The other big event of the year was the Mother-Daughter Reception, that was partly financed through the sale of basketball schedule pencils and stationery. Additional funds were raised by the operation of concession facilities at the games.

The League aided in promoting the general welfare when it sponsored T-B patch tests for everyone.

JONES' BOYS

Any boy entering KHS, regardless of size, shape, or I. Q., is drafted into the Boys' Legion. This essential and profitable organization was created in 1936 by Mr. John P. Jones. With fourteen years of success credited to the Boys' Legion, it appears that it will have a long life in the school.

The two annual projects of the Boys' Legion are the Hullabaloo and the Stardust Ball. The Hullabaloo, a stage show presented by the students, consists of cleverly arranged skits, intermingled with songs, dances, acrobatics, jokes, and repartee. The formal dance sponsored by the Legion for 14 years, the Stardust Ball, was held last March in the Memorial Gymnasium. The boys and girls who rocked to the music of Clyde Trask and his orchestra agree that the Stardust was one of the most popular events of the year.

The Board of Directors consisting of five officers and twelve representatives elected from the four classes was headed by Dick Lee, president; Ted Chandler, vice-president; Frank Brown, secretary; Dick Good, treasurer; and Ralph Baer, sergeant-at-arms.

HULLABALOO

"Flight 9! Flight 9 to Hawaii!"

The call was loud and clear as the melodies of Charles Eaton's dance band faded. Is all the troupe here?

Away we zoomed to the land of leis and dancers. There we were given a show including unique baton twirling, the "Hungry Five" (five musicians), and beautiful singing and dancing. With Jack Toney, Master of Ceremonies, urging us on, we shortly

THE GRAND OLD OPRY

arrived in Switzerland, where the Choir put the charm of Swiss life into song. Scene three returned us to Indiana as a good old-fashioned barn dance was staged. With "Minnie" and "Clem" popping jokes and a hillbilly quartet singing "You Are My Sunshine", everyone was hilarious. Novelties composed of tumblers, the "Ink-Spots", a traveling salesman, "Al Jolson and Bing Crosby", a French can-can line (which was boys), and other musical and dance solos were produced between scenes. The show came to a hillarious climax as a quartet sang while the entire cast returned to sing "Back Home Aagin In Indiana."

Yes, back to Indiana without the guidance and assistance of the sponsors, Mrs. Mildred Kern, Miss Mary A. Fausset, and Mr. C. A. Fauber; the student managers; their committees and stage crew would have been impossible.

"NO BUSINESS LIKE SHOW BUSINESS"

"Judy, oh Judy; wherefore art thou, oh Judy?"

These immortal words were spoken by Oogie Pringle in the Dramatic Club hit, *A Date With Judy*. Every year the club presents a three-act play for students and the general public. An enthusiastic cast, coached by the club sponsor, Mrs. Elsie Seagrave, made *A Date With Judy* a humorous and well performed comedy. The favorable reaction of the audience explains why the Dramatic Club has long been a favorite in KHS.

In addition to their big project, the club featured several plays for student convocations and three one-act plays for guest night in May.

One of their many activities was a trip to the Purdue Playshop, which proved both interesting and educational.

Officers of the 1949-1950 Dramatic Club were Ralph Dimitt, president; Tom Shenk, vice-president; Pam Moore, secretary; and Janie Stevens, treasurer.

SENIORS TAKE CURTAIN CALL

That wonderful, exciting "seventeenth summer" of Angie Morrow was full of the joys and trials of any high school graduate just experiencing her first love affair. So went the 1950 senior class play *Seventeenth Summer* written by the ever popular Maureen Daly. Lovable, laughable Angie, exquisitely portrayed by petite Charlene Andrews, knew her admiration for Jack, convincingly played by Jack Reith, was more than skin deep. As the play progressed Angie's love life suffered interference from Angie's jealous girl friends and her vivacious older sisters' boy friends. The antics of her lively little sister and hilariously raging father provided many amusing incidents. Mrs. Frank Kern and Mr. Clarence Fauber, the directors, certainly are to be commended for an extremely entertaining evening.

SENIOR YEAR CLIMAXED WITH PROM

Although the Seniors reluctantly looked forward to the eve of graduation on June 7, all of these thoughts were replaced by the excitement of the Junior-Senior Prom on June 6 in the Memorial Gymnasium. Amid the lovely setting of moonlight and roses they danced to the music of Dick Cison and his 14-piece orchestra, which hailed from the University of Illinois.

The Senior boys selected Mary Catherine Arnett, Bonnie Henson, Loreda White, Joy Ludlow, and Anita French as the candidates for Queen and her court; but the Junior boys chose which girl would would serve as Queen.

The co-chairman and their advisers were as follows: invitations, Marilyn Guerin and Emerson Martin, advisers, Mr. J. P. Jones, Miss Estella Pearce, and Miss Dorothy Pohlman; reception, Deloris Johnson and Bill Leslie, adviser, Mr. Earl Wilson; programs, Barbara Fretz and Don Wyrick, adviser, Mr. Warren Muncie; decorations, Judy McCool, Peggy Fisher, and Jerry Berneche, adviser, Mr. Clarence Fauber; crowning, Mary Lou Holt and Jack Boyd, adviser, Miss Mary Ellen Vergin; entertainment, Judy Frazer and Jack Gloye, adviser, Miss Doris Consodine; refreshments, Mary R. Shaffer, and Bruce Shutt, adviser, Mr. Virgil Fleenor; and checking, Bruce Johnson and Earl Williams, adviser, Mr. Raymond Trobaugh.

LADIES' AID

Each year the age of chivalry comes to life at KHS, sponsored by the Sir Walter Raleigh Club. The Twentieth-Century Lord Chesterfields pledge their services for the advancement of courtesy in the school. This crusade has resulted in fewer of the common school misdemeanors. For example, there have been fewer casualties during the noon hour rushes.

The principal project of the Sir Walts was the "Raleigh Ringer." This pocket-sized book conveniently provided us with the addresses and telephone numbers of the students.

The Sir Walts have functioned under the sponsorship of Mr. Donald Bartlett, who has done a wonderful job. Equal credit for the success of this organization should be given to club officers, who were Jack Reith, Lord High Chancellor; Robert Babb, Lord Chancellor; Ted Chandler, Clerk; Jerry Renshaw, Chancellor of the Exchequer; and Bryan Glenn, Parliamentarian. On the whole, the Sir Walter Raleigh Club has proved beneficial to the students and faculty of KHS.

THE FRESHMEN'S GUIDE

One of the best investments for KHS students is the *Lens,* which is published under the supervision of Mr. John P. Jones at the beginning of the school year by the Student Council. Proving especially helpful to the Freshies, it continued to pay each purchaser dividends throughout the year.

This informative handbook explains everything from the courses offered to the rare art of developing good study habits.

The staff had a special challenge this year, for the *Lens* was used as a textbook for the newly-established orientation classes.

The 1949-50 *Lens* was edited by Betty Myers. Her associate editors were Florence Farrar, Stan Cripe, Dorothy Altherr, Bob Babb, Jo Ann Turner, Betty Hammer, Janie Stevens, David Young, Jeannette Hahn, Dick Lee, Mary Butler, Ralph Dimitt, and Sue Galloway. Peggy Fisher did some editorial work and also helped Loretta Horn with the illustrations.

Ted Chandler was business manager, assisted by Jack Said, Ruth Lang, Dean Grinstead, Betty Blessing, Bill Graham, Mary C. Arnett, Tom Shenk, Sara Jane Rife, and Dick Stamps.

Linda Roush, Carol Rayl, Arlene Summers, and Mary Lou Reed typed the copy.

A LINE O'TYPE OR TWO

KHS students, hungry for school news, found a full-course dinner in every publication of the *Red and Blue*. The "student astonisher" was issued every two-weeks for a bargain price of five cents for those who subscribed and ten cents for those who didn't.

These put out the paper.

Efficient reporting and cleverly written articles resulted in an increase of the circulation of the paper. Staff members had excellent experiences in the many phases of journalism. Students on the business staff, advised by Mr. Clarence Fauber, learned management, bookkeeping, and salesmanship; those who worked on the editorial staff, advised by Mrs. Mildred Kern, learned about the page make-up, headline writing, story editing, and numerous other things that are essentials in publications. Also, typists, under the direction of Miss Vedah Covalt, gained experience while they served the school.

Here we are again, Sargasso & Company, complete with pictures, literary efforts, and witt (we hope); replete with praise for the toilers in the vineyard, both students and teachers; definitely a book of good feeling with malice towards none.

Past annuals of KHS have set a high standard, difficult to keep abreast of, and almost impossible to surpass. Nevertheless, we have, like Don Quixote, grasped pen and camera instead of shield and lance, and tilted at the windmills.

As years pass by, each graduate will con the Sargassos of his or her beloved school career with increasing nostalgia and affection, and with all humility we trust that this effort will have the warmest spot in his heart.

As we sit back after completing our book, we realize that the school year 1949-50 is drawing to a close and another staff will be organizing for next year's work, and we wish them the best of luck. But most important—we realize the fact that without the invaluable assistance of our wonderful advisers, Miss Elizabeth Handley and Mr. George C. Dunbar, this publication would not have been possible.

RAGAIN'S REGIMENT

A well trained aggregation of musical students, combined to produce spirited melodies, constituted the KHS band. Marching and playing under the expert direction of Mr. Joseph Ragains, they entertained at the football games with music and formations. By popular demand, the band played at the basketball games, accompanied by floor shows presented by our talented majorettes, whose performances entertained the fans.

The members of the band not only concentrated on perfection of music; but, in an effort to replace their worn uniforms with the "new" look, they established a fund for that purpose by sponsoring several profitable projects throughout the year.

WANDERING MINSTRELS

Our 1950 Choir has equaled, and perhaps surpassed, the many fine choirs of former years in KHS. Miss Mary A. Fausset, the skilled director, has produced a group of vocalists who charmed their students and adult audiences. As their popularity in the community increased, the Choir become one of our most active organizations. They presented programs for private clubs and lodges, for radio audiences, and for the public in general, such as their annual Christmas concert.

Since perfection was their objective, the members devoted one hour every school day for practice. Talent, combined with hard work, has resulted in local and state recognition for our Choir.

On glancing at the schedule of the Choir's program's it's obvious that our songsters were kept on the wing.

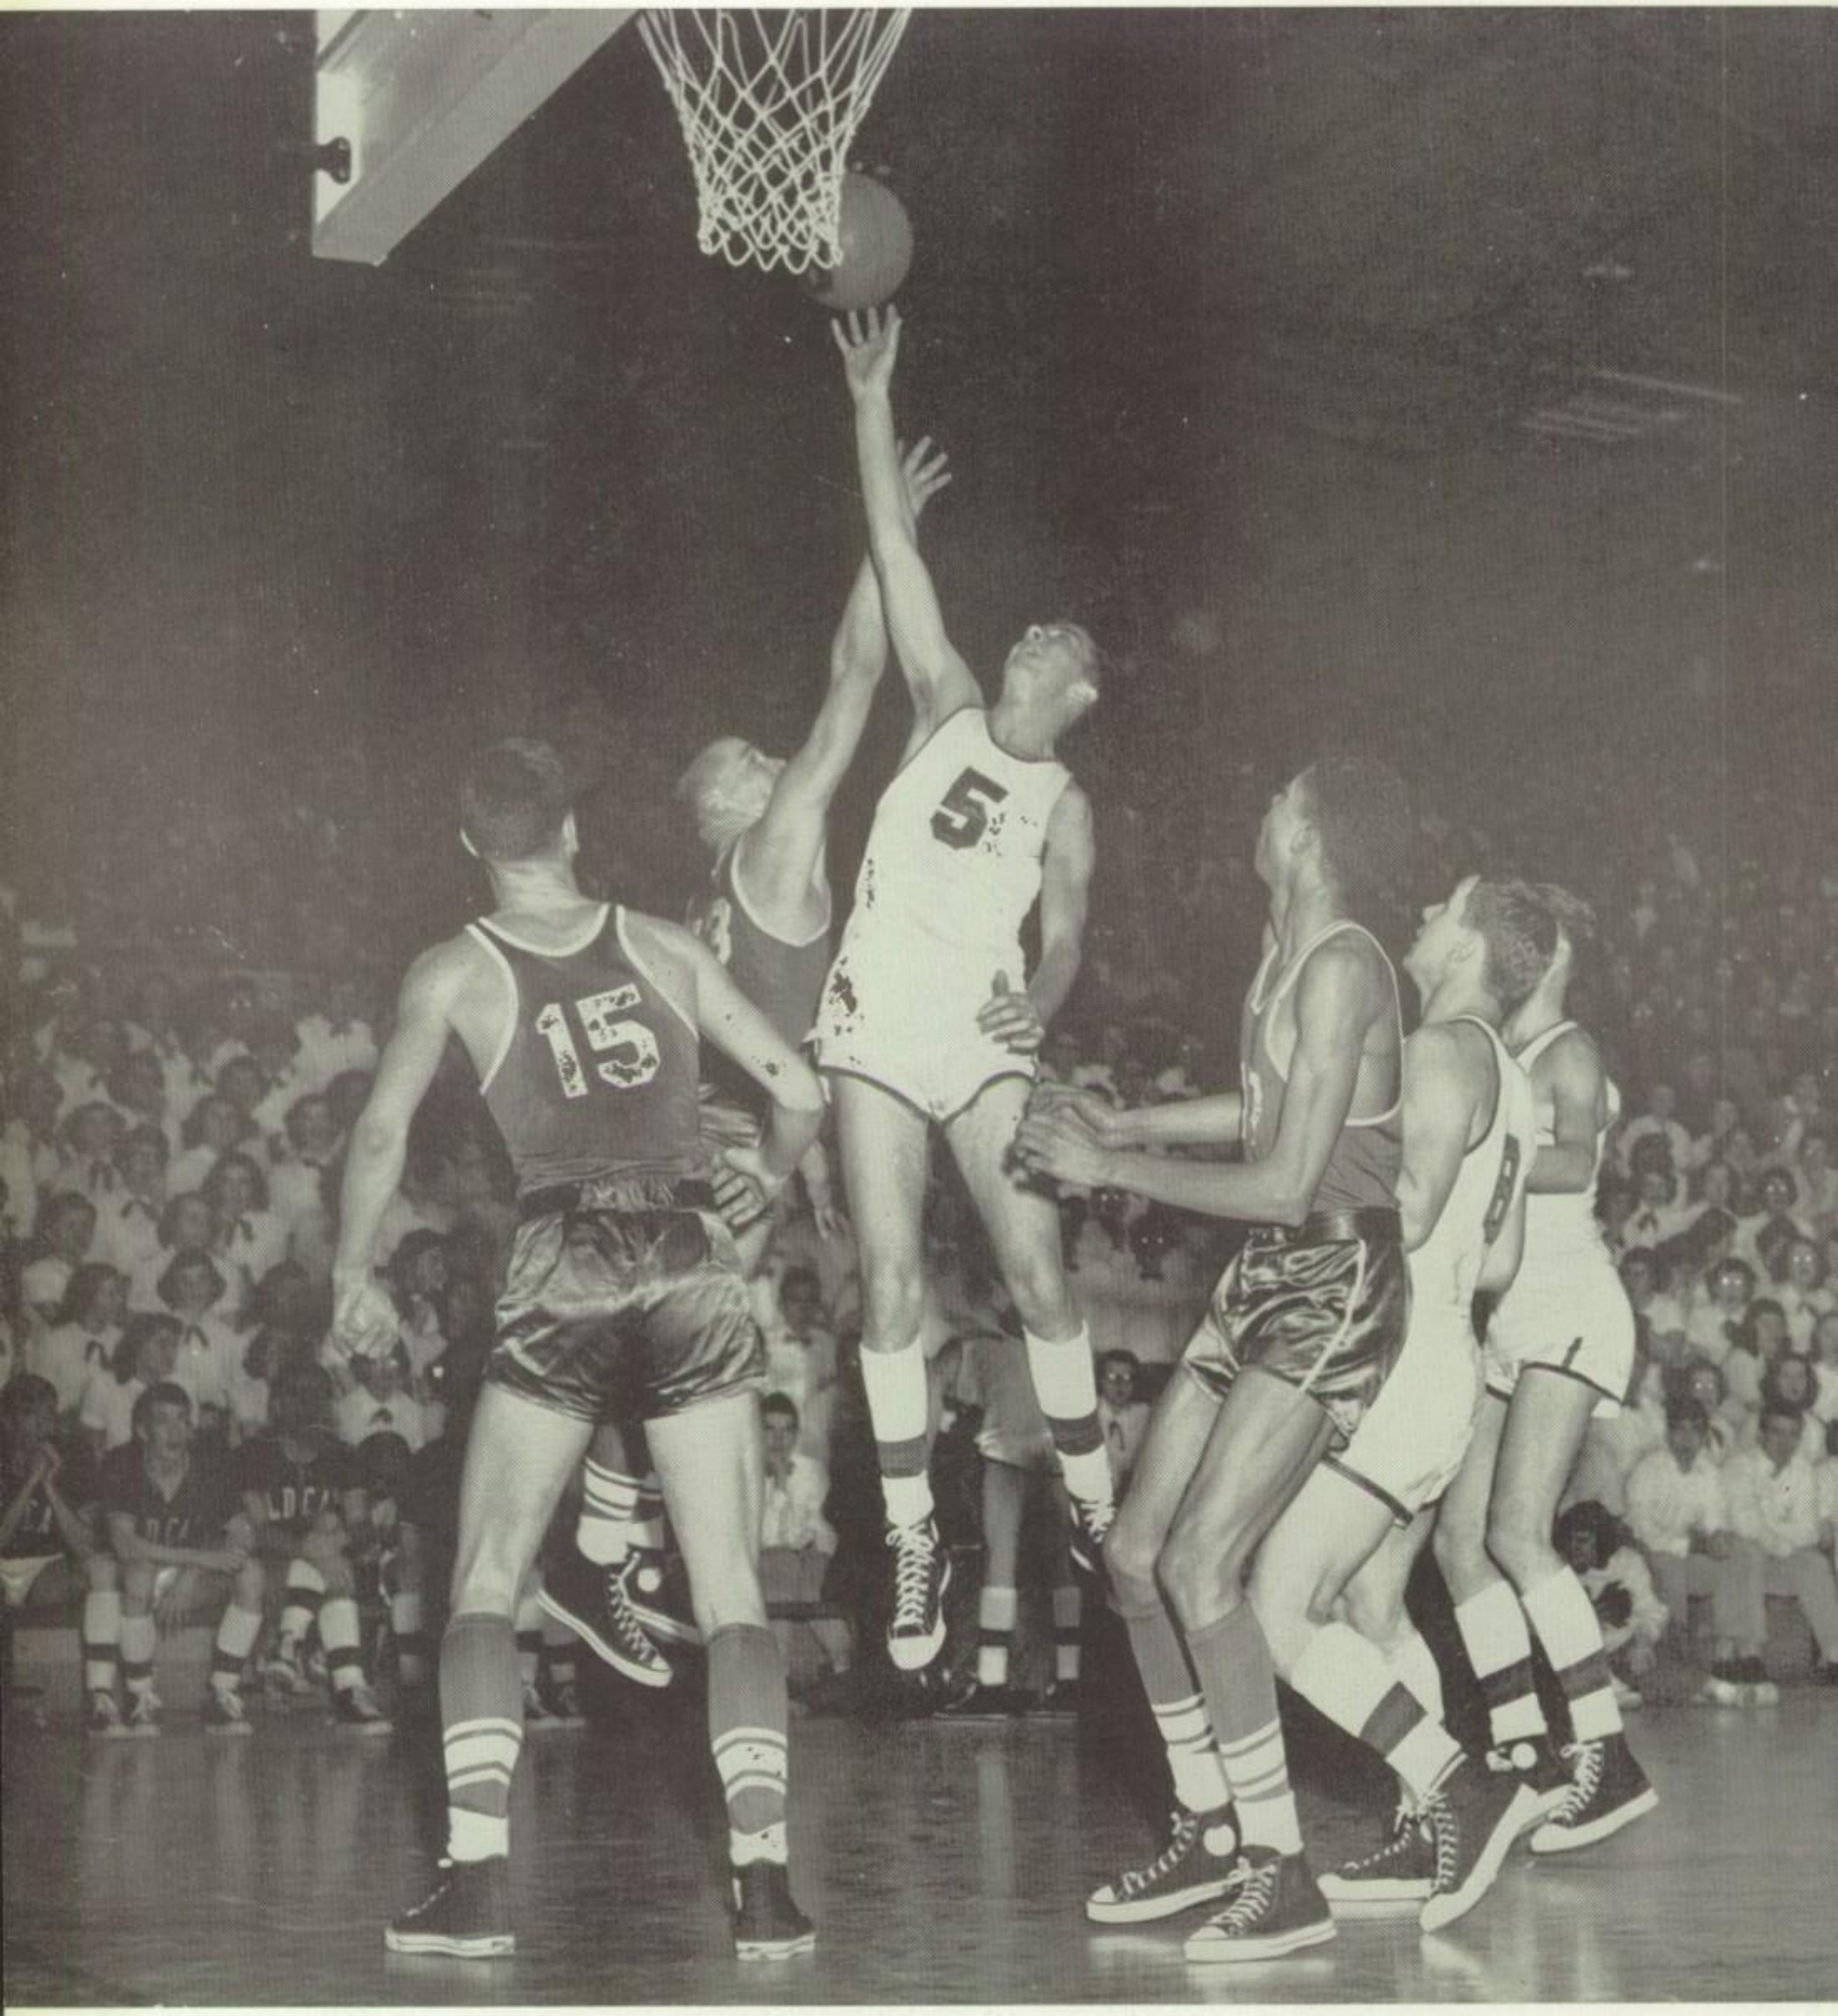
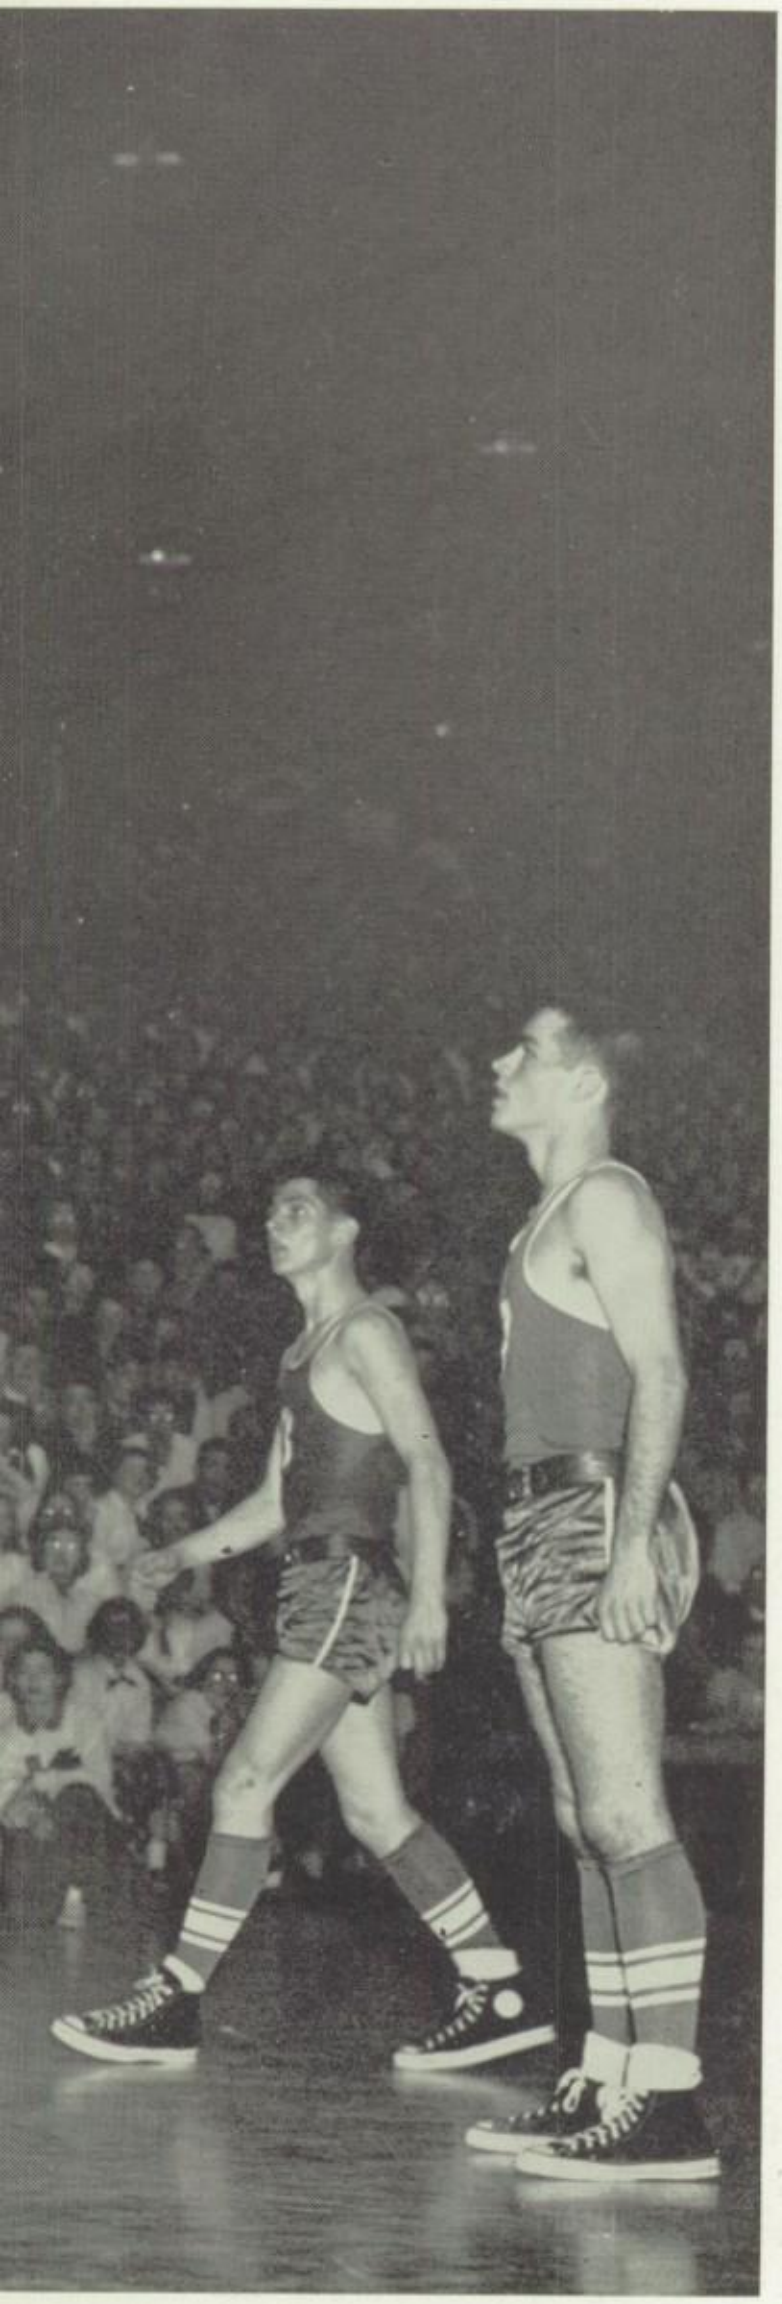
It didn't take long to get the Choir in condition for programs; therefore, it made its first stop at the dedication of the Memorial Gymnasium at the early date of October 20. From that time to their program for the Baccalaureate service on June 4, our Choir made thirty-two appearances—at churches, school functions, clubs, sororities, and other organizations of the community.

The Choir participated in several group activities: an all-city festival in March, a Howard County festival in April, and a 4-city festival in May.

Also it made two out-of-town appearances which were at the Teachers' Association in Indianapolis and the State Contest in Laporte in which they received a superior rating.



George Schrader goes under the basket for two points in the Kokomo-Muncie game.



Athletics

Athletics reached a new high in the realization of the new Memorial Gymnasium this year. Although not outstanding in any one sport, we enjoyed a good year. Along with our wins we suffered defeats and took them on the chin, remembering our sportsmanship slogan, "Great in sports, greater in sportsmanship."

The Coaches meet in the new gymnasium. Left to right are coaches Walter Cross, Chester Hill, Raymond Trobaugh, Olin Meritt, Clarence Laymon, Russell Bratton, Frank Overton.

BRAINS BEHIND THE BRAWN

Years of experience, plus the necessary know-how, enabled our coaches to produce winning teams for KHS sport fans. Mr. Chester Hill, Director of Athletics, and the coaches constitute the Athletic Department, which among other duties, schedule games and provide our athletes with everything from shoulder pads to tennis balls.

To help the coaches keep our athletes in shape, student managers devoted their energies during practices and games. Equally important were the yell leaders, who, with the co-operation of the girls' and boys' yell groups, inspired the team with school spirit at the games.

CONQUERING HEROES

The 1949 football season started out in a cloud of success as Kokomo trampled over Peru, 32-0, in an upset at Tiger Field before a capacity crowd of 5000 spectators. The game displayed the Kat might in the air as well as on the ground. The scoring honors went to Ben Kendall and Rut Silers, who ran over for two apiece, and to George Bellamy, who ran one over in the last few minutes of play.

The second game a week later proved to be another victory for the Kat eleven by

a convincing victory over the Marion Giants, 27-0. Three of the T. D.'s were set up by brilliant pass interceptions and the last one was made when Ed Trobaugh threw a long 22-yard pass to Ken Toye in the end zone.

The third time wasn't the charm for the Kats when they met the well-coached team of Marion Crawley's at Jeff of Lafayette the next Friday. Our scoring came in the first play of the second half when little Howard Murphy picked up a Jeff fumble and ran 33 yards for a touchdown. The final outcome was Jeff, 13, Kats, 6.

On Sept. 30 we met the toughest encounter of the season in the Elwood Panthers. The first half proved to be a bad one for us when we failed to stop a 68-yard march of Elwood's for a touchdown. We came to life the second half, though, and at the end of the third quarter it was a tied game at 6-6 with the T. D.'s going to Kendall. The most stirring play of the game came in the last 15 seconds of play when Ben Kendall threw a 40-yard pass to Rut Siler, who was tackled on the 3-yard line. With 5 seconds to go Gene Schory ran it over and the ball game was ours. The final score was Kokomo, 13, Elwood, 6.

Middle: Loss of three yards on a center plunge.
Lower: Marion tries to rush through the center of line but fails.

Lower right: Tackled on the line of scrimmage.

The next week the Kats traveled to Anderson where they met the Indians. Foot ball seemed to be their weakness as far as athletics are concerned, for they suffered a 34-0 defeat. Our land advance was good which was credited with our good line made of Tom Hendrix, Ted Etchason, Howard Murphy, Ralph Baer, Paul Fields, Max McFall, and Don Tenbrook as well as our aerial attack which scored two of the touchdowns for the Kat eleven.

October 14 proved to be a fateful day in Kat gridiron history and especially in Gene Schory's life also when they faced the Tech Green Wave. It might as well be classified as the heartbreak of the season when Gene missed a conversion by one foot of the uprights after a pass touchdown play by Ben Kendall to Don Tenbrook and also missed a touchdown when a Green Wave player made a shoestring desperation tackle on the 14-yard line with too few seconds left for another play. Although we outplayed, out-ran, and out-passed them, we still couldn't rise over the 7-6 lead they had over us.

The next week we were home once more where we encountered the Frankfort eleven for our fifth victory of the year by tallying 49 points to their 0. The scoring honors in the heavily substituted game went to Ben Kendall and Gene Schory who both went over for two, and Rut Siler, George Bellamy, and Ed Trobaugh, who scored one apiece.

The next game saw a 19-year hex broken when we met the Logan Berries in an upset game. The only scoring that was done for us was by Gene Schory, who ran over for the T. D. The score at the final bang of the gun was Logansport's 14 to Kokomo's 7.

The final game of the season ended in a 33-0 defeat over Richmond. The Kats played superb ball that game as they rang down the curtain in another successful year of football at KHS.

Coach "Tubby" Trobaugh can well be proud of his 1949 ball club! This season's record is proof enough of this. We won many times and lost a few, but you find that never once did "Tubby's" boys lose the spirit to win games, so our hats are off to you, Tubby, for a season hard fought.

Upper: Marion tries an end rush and picks up a first down.

Middle: Tubby tapes up Ben's foot as friends look on.

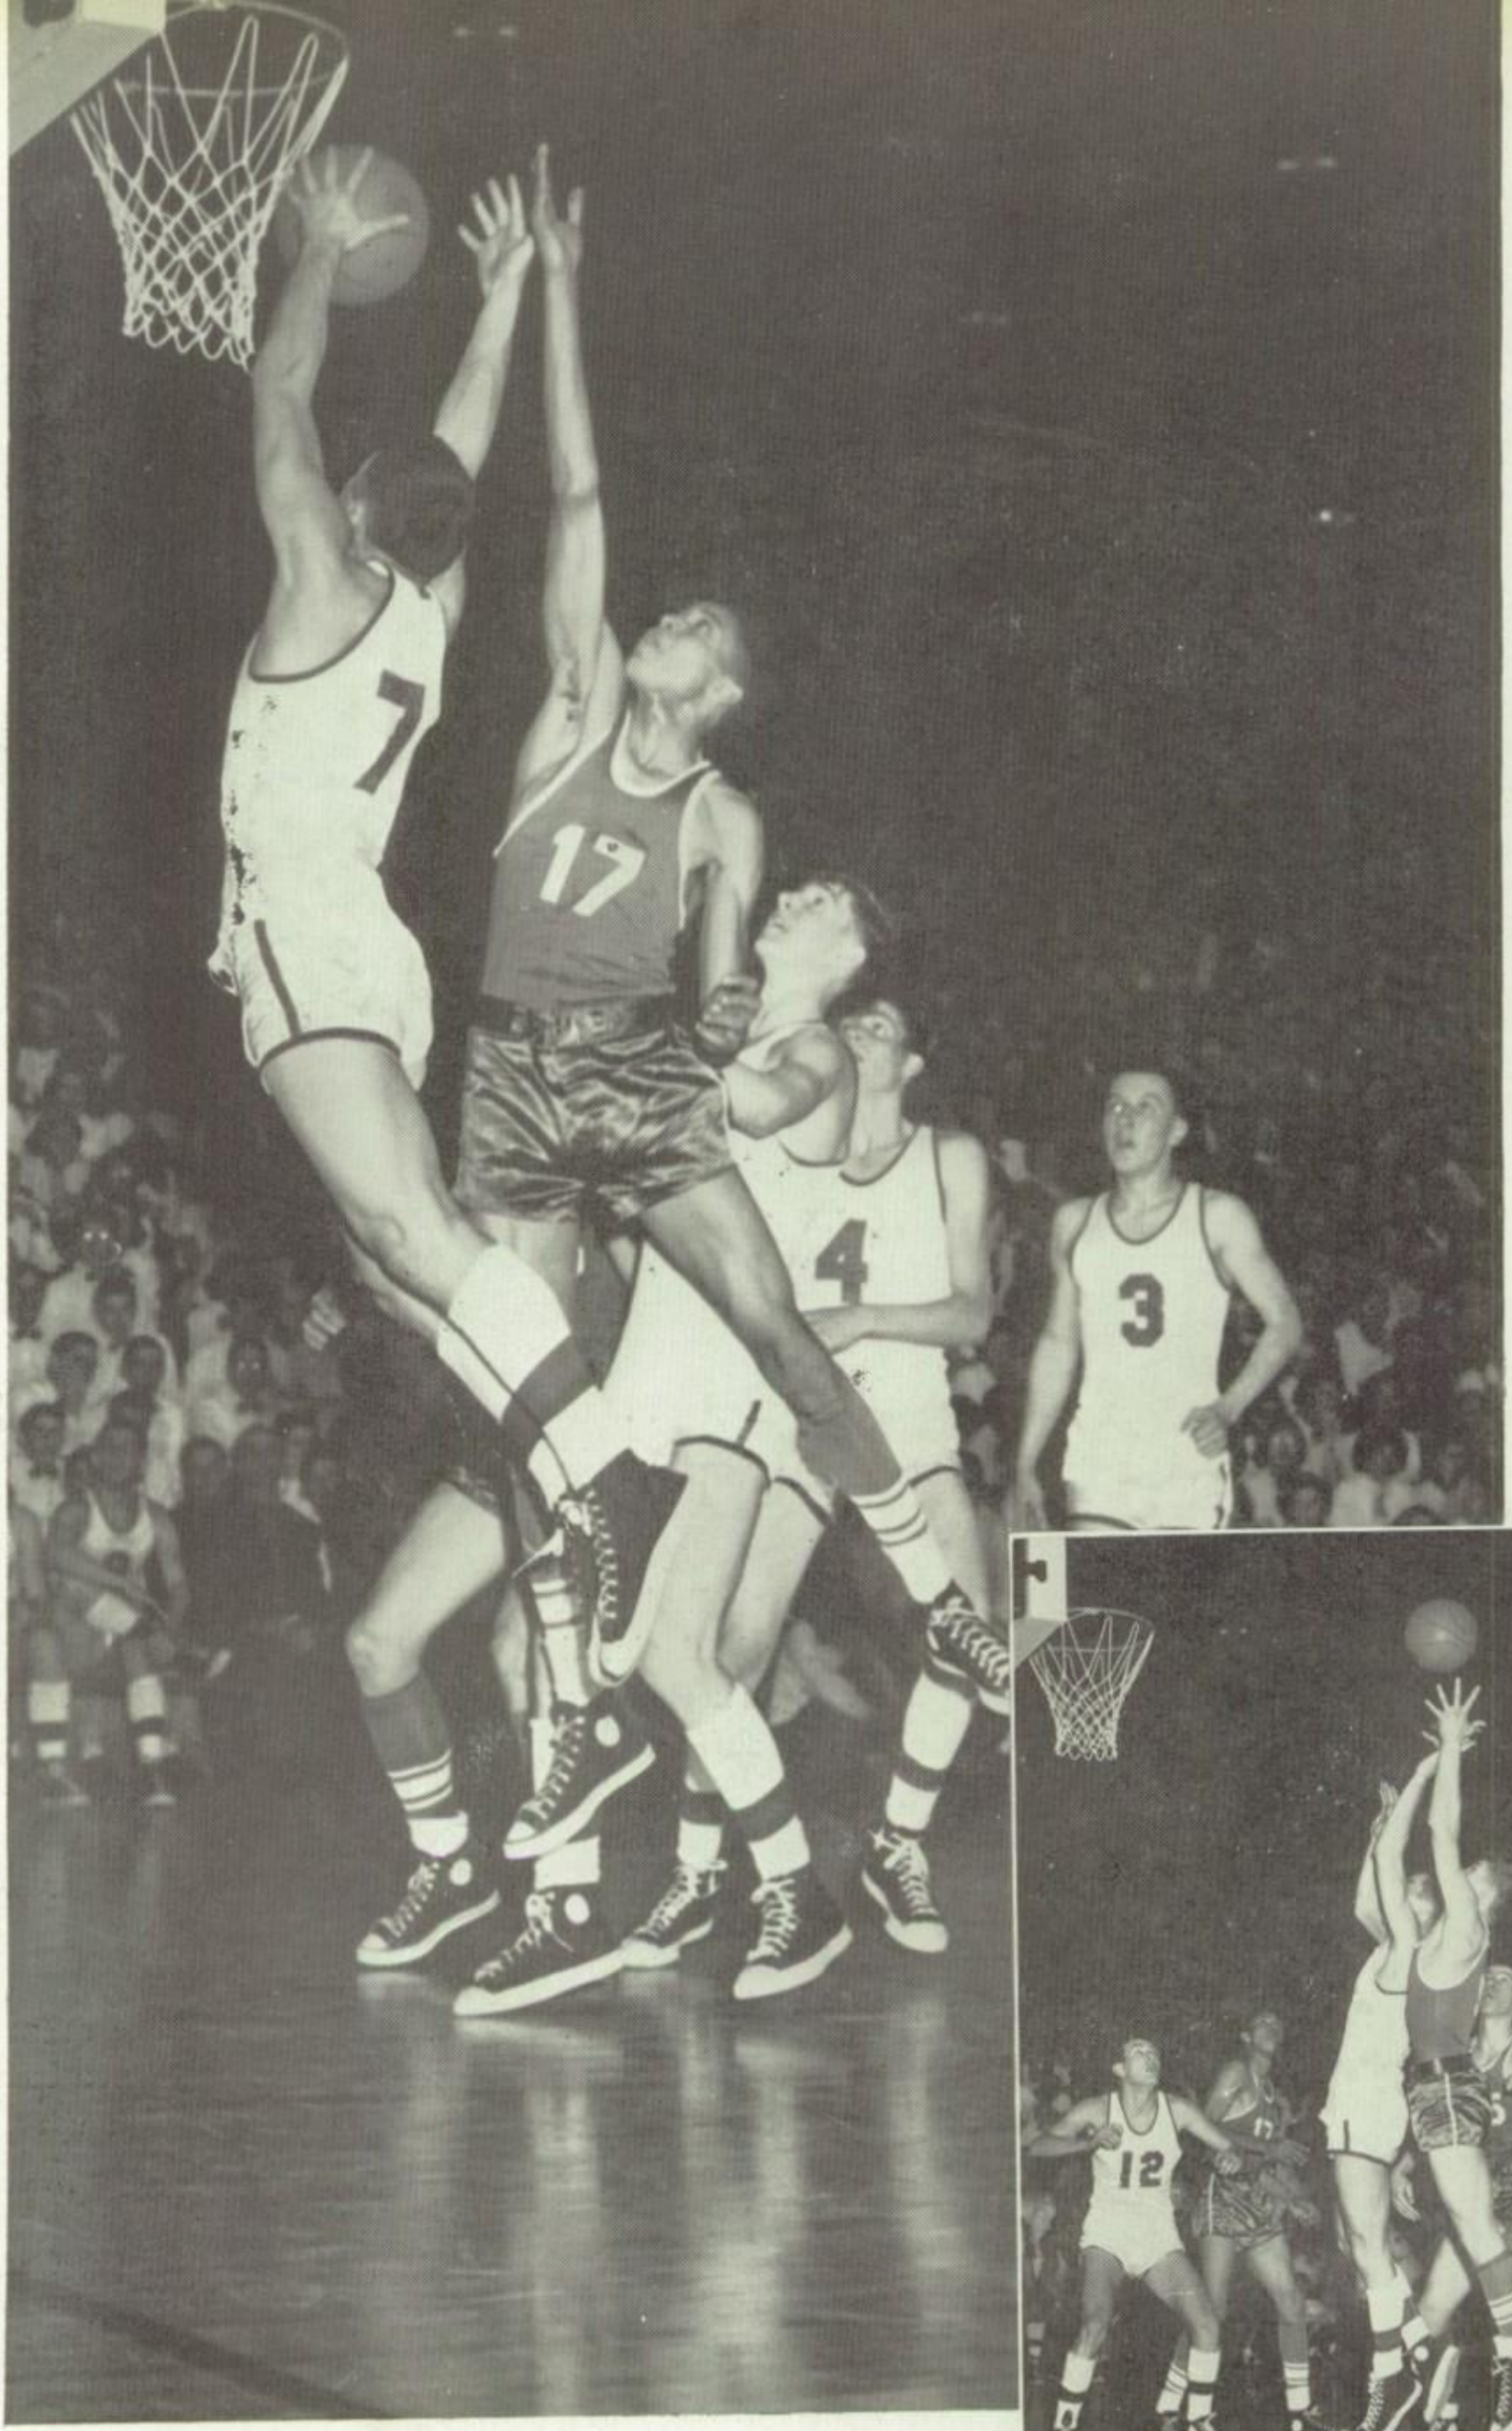
CAGE MEN HAVE SUCCESSFUL SEASON

Coach Bud Overton came through with a winning season of 12 victories and 11 defeats as a tribute to Kokomo's new Memorial Gymnasium. Though the Overton men suffered many setbacks, they never left the floor without giving the opponent a thorough workout.

In looking over the season, the highlights of certain games come to mind.

After the opener against Wabash, the team met Frankfort in the first Conference game, where Ben Kendall and George Schrader put the crowd in an uproar with a barrage of beautiful long shots.

In the last minute of play against Sheridan, Gene Schory made a spectacular game-saving jump shot to make his total contribution 14 points.



Upper: Ben Kendall is under for two points against the Marion Giants.

Lower: George Schrader gets tip from one of the Giants.

The Kats were runners-up against Anderson in the big four tourney even though in the night game Ben Kendall dusted the nets for 20 points.

Following the tourney the Kats, led by Ron Holt's five fielders, made a stab at New Castle, only to come up 2 points short.

In an engagement with Elwood, it was Bongo Baer's turn to carry the load upsetting the Panthers with 13 points.

Entering the sectionals the Wildcats found the competition tougher than ever. In their first encounter, the Overton lads nosed out a mighty Northwestern team by 1 point. With six seconds to go, Vic Kassell saved the day with a basket from the side to complete his total of 21 points.

The Northwestern game only seemed to be postponing what was eventually to come—a heart-breaking one-point loss to Greentown in the championship game. The only consolation went to Ben Kendall, who sent the scoreboard reeling with 28 points.

GOLF

The golf team of KHS again posted a fine average for the 1949 season. These boys slammed their way down the Legion and Country Club fairways as well as out-of-town courses under the able direction of Coach "Tubby" Trobaugh.

TENNIS

Front Row: W. Graham, M. Keisling, R. Rose.

The boys of the clay courts rolled up a score of two victories to two defeats in matches played. In this, their second year as a tennis team at K.H.S., Coach Merrit's boys scored their biggest victory when they defeated Jeff of Lafayette, seven to nothing, in set scores.

THEY'RE PITCHING - AND HITTING

Last year the Kokomo Wildcats' baseball team experienced one of its best, if not the best, seasons in its history under the coaching of Clarence "Tuffy" Laymon. The Kat nine came out of its 10-game season with seven victories and three defeats, bowing only to Tech of Indianapolis, Anderson, and Richmond.

Joe Lear and Don Davis shared the pitching honors, with Joe having a 3-1 record and Don a 4-2. The fielding was well handled by Tom Lantz, Larry Russell, and George Schrader while the base and short-

stop positions were held down by Glen Umbarger at first, Ben Kendall at second, Joe Martin at shortstop, and Joe Lear at third when he wasn't on the mound. "Monk" Murphy was behind home plate.

The season started off with a loud bang by the Kats winning the first two games from Greentown and Jefferson of Lafayette by the convincing scores of 13-0 and 7-2, respectively.

The third time wasn't the charm for the Kats when they ran against the Tech Green Wave at Highland Park with a shutout of 2-0.

The next three games, though, went to Laymon's lads' advantage, for they took Marion by a score of 3-2, edging out the Muncie Bearcats by a slim margin of 2-0, and giving Logansport a thorough 10-3 trouncing.

But the Kats couldn't seem to stand the winning stride, for they lost the next game to Anderson by a lop-sided score of 15-4.

Frankfort and New Castle were rather easily disposed of with an 8-2 victory over Frankfort and a forfeit by New Castle.

The Kats lost their last game of the season to the Richmond Red Devils, 14-4.

CROSS COUNTRY

One of the newest sports to come into high school athletics is cross-country. The sport has hit a new high in the realms of Katdom. The Wildcats came through with a sterling season of five wins and one loss. Thirty-three boys went out for this hill-and-dale club under the care of coaches Frank "Bud" Overton and Walter Cross and with this assistance, the Kats strode to victory. The Kokomo thinlies suffered their only defeat at the hands of Marion and finished fourth behind Anderson, Tech of Indianapolis, and Marion in the Conference meet. Since the Kats placed fourth in the sectionals, there was no representative from our club at the State meet.

TRACK

As the 1949 track season opened at Marion on a cold April 8, it was hard to tell which was the coldest, the day or Kokomo. Although the cinder Kats, coached by Bud Overton, were having a bad day due to the lack of good training weather, they managed to score 10 points while Marion tallied 90.

The following week Tech's Green Wave ran over Kokomo for their third successive victory. Tech walked away with all but one of the blue ribbons and scored 83 points to our 34.

The next week the Kats participated in the Muncie Relays at Muncie, Saturday afternoon, only to drag out a 9th place with one point. They couldn't seem to get started at their own Kokomo Relays at Kautz Field the following Saturday in which they could pull in only an 8th place with 6½ points. Four days later they journeyed to Richmond for the Conference meet and again came in an 8th, scoring 9¼ points.

On Tuesday, May 3, their trip to Anderson was of no avail except to Anderson, who walked away with the meet with 90½ points to our 26½ points. Although we were beaten badly, we were defeated by the state champs, led by John Stayton, who was the best high school miler in the country.

When the Kats entered their sectionals on the 14th, they were the underdogs to Marion and Mississinewa. The two teams were greatly surprised when Kokomo won by tallying 46 points to Marion's 39½ and Mississinewa's 24. Freshman Milton Coleman led the Kats with blue ribbons in the 100-yard dash and the broad jump. He also won blue ribbons in the 880-yard dash along with Tom Bourff, George Bellamy, and Rut Siler. Other Kokomo boys were Rut Siler, first in the 220-yard dash; Don Button, first in the 440-yard dash; Dick Lee, third in the 880-yard run; and George Bellamy, first in the 220-yard low hurdles. The mile-relay team placed second with Bob Howell, Bill Lawson, Dick Woodward, and Don Button carrying the baton.

Another week passed only to find Kokomo placing 6th in the regionals with 7 points and failing to place anyone in the State meet.

People

Here's a glance at the people who made the school year of 1950—the Freshies who were just finding themselves, the Sophomores who had already found themselves but were wondering why, the Juniors whose goal was just around the corner, the Seniors, yes the Seniors, whose goal was finally reached, and the Faculty, Administration, and School Board who made it all possible.

SCHOOL BOARD

The Kokomo School Board, an appointive body of three members, guides and directs the functions of the School City of Kokomo, the taxing unit which owns, finances, and operates the over-all school system. With the suggestions and advice of the Board, the School City has authorized, financed, and completed one of the largest and most modern gymnasiums in Indiana, and the plans for a new vocational building, now in course of construction. Therefore it is obvious that the School Board is doing the utmost possible to further the demands of the students and their parents.

Mr. Paul F. Royster, secretary; Mr. O. M. Swihart, superintendent; Mr. J. Ralph Mason, treasurer; Mr. Joseph A. Noel, president.

Principal C. E. Hinshaw and Superintendent O. M. Swihart.

THE CHIEFS

Having been principal of KHS for the past 35 years, Mr. C. E. Hinshaw well understands the problems of high school students. He not only makes it a point to give sound, friendly advice where it is needed, but considers it just as important to give sincere praise where it is earned.

Mr. O. M. Swihart, Superintendent of Schools, has, during his four years in Kokomo, successfully applied many of his progressive ideas to the Kokomo school system. His warm, amiable personality have won him the admiration and frinedship of every KHS student who has had the opportunity to meet him.

OUR DEANS

The deans of KHS need no introduction to the students who have received the benefit of their advice and personal interest. Miss Estella Pearce has earned the love and esteem of every girl she has befriended during her years of service as dean. This year freshmen girls had their own dean, Mrs. Audra Lindley, to aid them in their new environment. No one could have a better friend than Mr. John Paul Jones, who has never failed to help any boy with his problems.

Besides their regular duties, the deans take part in and sponsor many school activities. Their contribution of time and effort on behalf of the students have earned them the sincere thanks of every boy and girl.

BABES IN THE WOODS

To the infants of 1949-50, KHS opened a new and exciting world of work and play. Freshmen entered from Central Junior High School and, for the first time, from Roosevelt Junior High School. The first school weeks were marked by confusion and uncertainty for the Freshies. They shared the experiences of searching for the unknown location of classrooms and paying elevator fees to scheming upperclassmen. However, they soon regained consciousness and participated in some of the activities offered by sports and school organizations.

A new feature of 1950 were the Orientation classes designed to help the Freshmen learn the ropes of high school life.

The Freshies exercised their rights of suffrage by sending capable representatives to the Student Council. They also elected Fred Bagwell, Robert Farmer, David Lott to the Boys' Legion Board of Directors, and Julie Dieden to the Girls' League Council.

Although youth was a handicap to the Freshies, they capitalized on all of their opportunities and look forward with eager anticipation to an active sophomore year.

"GREAT EXPECTATIONS"

Past experience and the will to succeed have made our Sophomore class outstanding in their year's high school activities.

They didn't sit back and let the upperclassmen take full charge; instead, they entered through the doors of extra-curricular activities—that were finally opened to them—and proved themselves to be worthy members.

In addition to the sophomores at KHS that were promoted from the large green class, a great number migrated from Washington Junior High School—making it the largest class at KHS with a total of 545 students.

Through their various conventions (roll rooms), they elected representatives to the Student Council. The girls were represented in the Girls' League Council by Kay Lewis and Luwanna Croxford; and the boys elected Dick Hess, Jimmy James, and Bill Williams as their spokesmen to the Boys' Legion Board of Directors.

The 1949-50 Sophomore class has displayed qualities of integrity and ingenuity which will be of future benefit.

ONE LAST FLING

An unusually large class of Juniors assumed their share of the social and administrative privileges reserved for upperclassmen. Those on the *Lens* and the *Red and Blue* staffs worked faithfully at their jobs; many on the *Red and Blue* were rewarded for their efforts with promotions.

Last fall the Juniors selected their class officers with the utmost care, due to the many possibilities for the positions. Their choices were William Elsea, president; John Trobaugh, vice-president; Bob Howell, secretary; and Suzanne Templin, treasurer.

Included among their many projects was the Junior Booth, a refreshment stand operated daily by Juniors for the students.

However, the most important function of the Junior class is the sponsorship of the Junior-Senior Reception, which is held at the close of the school term. The chairmen and their committee members working under the supervision of Judy Mason and Bill Graham made it a memorable occasion.

The sponsors of the class were Mr. Clarence Fauber, Mr. Warren Muncie, Miss Mary Ellen Vergin, Mr. J. P. Jones, Miss Doris Consodine, Mr. Raymond Trobaugh, Mr. Earl Wilson, Miss Dorothea Pohlman, and Mr. Virgil Fleenor.

APEX OF THE PINNACLE

Four years have swiftly flown by, and we have come to the close of our Senior year—our last year in Kokomo High School. We all look eagerly to the future, but the memories of KHS will be with us always. Our days as lowly freshmen come back clearly to us, but our Senior year stands out as the best.

There were so many things to do and so little time that we never had a dull moment. When we weren't busy working in the Girls' League, Boys' Legion, Honor Society, Student Council, or Hi-Y, there were always committees for the Stardust Ball, Autumn Prom, Dramatic Club Play, Senior Class Play, or Hullabaloo. Such publications as the *Lens, Red and Blue,* and the *Sargasso* were sent to the press with the satisfaction that, through the efforts of the Seniors, they were the best ever. After doing a little of everything, we found time for various club activities, sports, band, and choir.

Not all of the year was spent in Kokomo. Some Seniors took several days to attend the Purdue Legislature, U. N. Conference, and to travel to Washington, D. C. Later came Class Day, Baccalaureate, the Reception, and Commencement, and our high school days were successfully completed. Most of this couldn't have been accomplished without the assistance of our sponsors: Miss Lilith Farlow, Mr. Lester McCarty, Miss Lila Sill, Mrs. Mildred Kern, Mr. Chester Thompson, and Miss Ruth Campbell.
